HOW TO REGISTER FOR THE ELECTRICAL WIRING CERTIFICATION EXAMINATION

#	PROCEDURE
1	Kindly visit the Energy Commission website: www.energycom.gov.gh via your web browser on your computer or mobile phone. Click on “ Flagship Programmes ”, select “ Electrical Wiring ”, select “ Application Form ”, read the content on the newly opened page and click on the highlighted text: “ Click on the link to register for the Electrical Wiring Exam ”, at the bottom to access the examination registration portal.
2	The homepage of the registration portal contains information on the registration cost, pre-examination training institutions, among others. Read through carefully and scroll to the bottom of the page to locate the “ Apply ” button.
3	Click on the “ Apply ” button and select either “ Electrician or Inspector ”. Your selection will then open the online form to be completed with the required information. Upload your valid identification card and a standard passport picture of a plain red background – NO SELFIES . For Inspectors, you will be required to upload your academic certificates .
4	For the payment type, select “ pay with Momo ”, specify the mobile network type, input the mobile money phone number, and proceed to click on “ PAY XXXX & CONTINUE ” to initiate the payment process.
5	A mobile money prompt would automatically be initiated on the mobile device bearing the specified mobile number. Proceed to enter your mobile money PIN to confirm payment. If an automatic mobile money prompt was not initiated on your mobile device, the registration page will display the “ Payment was not successful ” text. Underneath that text, there will be an instruction to dial a code of the format: “ *222*XXXXXXXXXXXXXXXXXXXX# ”, on your mobile device to confirm payment.
6	Once the payment has been successfully confirmed, the registration page will display a practical material list to be purchased by the applicant.
7	Your application will be received and vetted by the Energy Commission. Applicants will be notified via SMS of the status of their application when approved. Any applicant whose information is not satisfactory will be contacted via mobile phone and guided through the registration process.
